SUMMARY

mid-level front-end developer with over 2 years of experience in designing and building responsive websites with a beautiful user interface. Successful experience in front-end development using the React JS library, through participation in over 5 projects. Notable achievements include increased project completion speed and improved website conversion rates with enhanced code and design.

WORK EXPERIENCE

Mid-level React Developer 📍 **Tehran**

karkhone-digital, **LA, Remote** 2022 -2024

- Software Engineering startup company with 100+ employ
- During my tenure as a front-end developer at karkhone-digital, I contributed to the

development of over three websites catering to a wide range of industries,

- including social media, e-commerce, and other web-based projects.
- Developed and launched three highly engaging websites to drive product
- and service awareness, resulting in a 40% increase in organic website traffic
- and a 25% boost in lead generation within the first quarter.
- Implemented a cutting-edge technology stack, utilizing React, Next.js, Redux
- Toolkit, and Graphql, resulting in a substantial 50% boost in team
- productivity by accelerating feature development, reducing bugs, and
- enhancing user experience.

Junior React Developer 📍 Karaj
Tara, On site 2021 – 2022

- Startup company, manufacturing smart tools for agricultural purposes
- Implemented cutting-edge front-end designs and optimized user interfaces, resulting in a 50%
- reduction in page load time and a 20% increase in website traffic conversions.
- Through my contributions, we were able to achieve significant growth, with a 20% increase in
- revenue within a year.
- My development skills improved significantly as I worked on these projects, and I had the
- opportunity to collaborate with a colleague/friend on one project, which helped me develop my
- teamwork abilities in addition to my individual skills.
- Successfully performing maintenance on the front-end of the platform, which is based on HTML,
- jQuery and React
- Strong believer in the mantra that we learn from our mistakes.
